Subject: Reporter inquiry

This is an FYI that Adam Federman, Reporting Fellow with the Investigative Fund at the Nation Institute has reached out via email to Dave Applegate and Bill Werkheiser to ask "questions about USGS Fundamental Science Practices in the context of energy assessments".

Bill and Dave are both at DOI in the realignment meetings so neither have talked to him.

Adam,

Could you give me a sense of the topic?

Thanks, Dave

Thanks for getting back, Dave. I should have time on Thursday and Friday as well if that works for you.

Best,

Adam

Re: Reporter inquiry

There's no reason to do this interview. The Nation is not an unbiased outlet.
